

Introducing our new Chair

Hello!

Hi, I'm Joanna Matthews, the new chair of the EDFG Trustee. It was a great pleasure to be appointed to this role from July 2023.

I started my career as a professional trustee with Capita Cranfield Pension Trustee Limited 17 years ago. Before that, I was a Pensions Lawyer and have experience working across a wide range of pension schemes. I have been working with the previous chair, the Fund Secretary and our advisers as part of the transition, as well as speaking to the Company who remain very supportive of the Group.
